

## Clergy Information & Registration

**TPEC is growing!** We are in the process of creating a central clergy database so that we can properly document all of our clergy, and also create a central clergy directory. Not all of our clergy are listed on the TPEC website, so it is possible that you may be just down the road from a non-listed person and not even know about it!

We are also looking into membership in the International Council of Community Churches (ICCC), but we need a complete record of all our clergy before we can do that. So please take the time to complete this form. Yes, it's a long one, but we need a lot of information, especially Emergency Contact information. We do NOT ask for sensitive information such as SS numbers.

Please return the completed form & attachments to Rev. Thurlow Weed at [admin@tpecusa.org](mailto:admin@tpecusa.org).
